Self Service – Student App Store

Deer Park ISD students do not have access to the regular iTunes App Store. Instead, students are provided access to a catalog of Self Service apps that are used in the classroom.

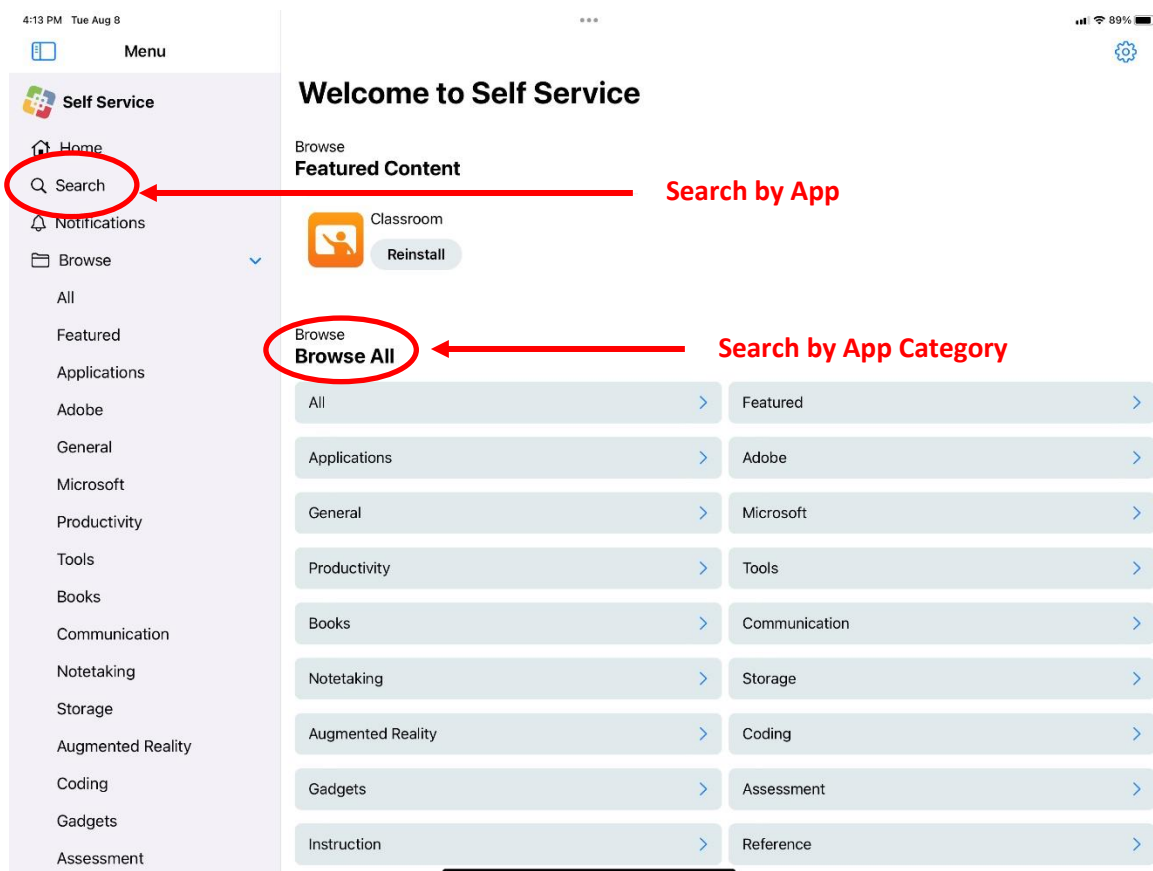

IMPORTANT

*Never delete the Self Service app.

* If you are having issues with your Self Service app, or you are missing the Self Service app, please let your teacher know immediately.

1. Finding/Opening Self Service on the iPad

- Look for the Self Service icon on the iPad.
- If prompted, tap **Allow** for Notifications.

2. Search for an App by Name

The easiest way to find an app is to search for it by name.

- a. **Type the name** of the app and the screen will populate for apps to install.
- b. If the app says **Install**, that application is not installed on the iPad.
- c. If the app says **Reinstall**, that application has **already been installed** on the iPad.
- d. If an app is not functioning properly, try **Reinstalling** the app.
